SA/R

SUBJECT : Report to President's Foreign Intelligence Advisory Board (PFIAB) for Fiscal Year 1964

1. Contributions have been requested from each of the DDI elements for inclusion in the report to the PFIAB covering agency activities for FY 1964.

2. The PFIAB has furnished guidance in outline form for preparation of the report. Portions of the outline which apply to OCI are as follows:

Intelligence Production

- a. Current intelligence analyses: (including organizational and procedural arrangements in the field and at headquarters; procedures for timely identification and exploitation of early warning and indicator-type data concerning developing crisis situations warranting prompt consideration at highest government level.)
- ✓ b. National and Special Intelligence Estimates: (Support to and participation in the preparation of NIE's and SNIE's for use in the national policy-making process).
- ✓ c. National Intelligence Surveys: (Support to and participation in the preparation of NIS's, including the status of implementation of NIS production schedules to meet national and military requirements).
- ✓ d. Other significant intelligence productions: (Identification of intelligence publications produced on a regularly scheduled basis for either inter-agency or intra-agency consumption.)

-2-

a. Deficiencies: (Significant gaps and deficiencies in departmental programs and efforts to meet intelligence and covert action needs, and steps being taken to remove such gaps and deficiencies.)

3. Under point (a) above, what is desired is a brief account of the main topics and issues covered by your division during FY 64 and generally how you interpreted them. D/Mil will, of course, respond to the request for procedures on early warning. Points (b) through (e) are self-explanatory.

4. The sky is the limit on classification. Please have your contributions in clean draft to me no later than OOB, Wednesday, 22 July 64.
